Coming soon: Lasernet 10.3!

2022-07-07 - Adam McStravick - [Comments \(0\)](#) - [Lasernet News](#)

Lasernet

by Formpipe.

Our development team are now busy putting the finishing touches to Lasernet 10.3.

The release is planned for mid-July – when you can find full details here on the Formpipe Support Portal.

What's included?

- Hyperlinks in images
- Encryption and password protection for DOCX and XLSX format documents
- Requested fix (ref. 24435, 25201, 26262) where empty values set from JobInfo profile were not editable

...and much more!
